The Regulations, made under section 78 of the Coronavirus Act 2020, apply notwithstanding any other legislation or current or pre-existing standing orders or any other rules of the Parish Council governing meetings and remain valid until 7th May 2021. This means that wherever there is a conflict, these Remote Meeting Procedure Rules take precedence in relation to any remote meeting.

2. Annual Parish Council Meeting

2.2 The requirement to hold an Annual Parish Meeting in 2020 is to be disregarded and the current appointments to the Parish Council, Committees and Outside Bodies will continue.

3. Access to information

3.2 The Clerk on behalf of the Chairman will publish the date and time of remote meetings including associated agendas and supporting documentation through the Parish Council's website in line with legislative requirements. A copy of the agenda may also be displayed on the noticeboard.

If the connection is not restored within that time, the meeting shall continue to deal with the business whilst this happens providing the meeting remains quorate.

6.3 In the event of a connection failure, the remote Councillors will be deemed to have left the meeting at the point of failure and if the connection cannot be re-established to those Councillors before the end of the meeting, then the presumption will be that the meeting should continue to deal with agenda items.

6.4 If the connection is successfully re-established, then the remote Councillor(s) will be deemed to have returned to the meeting at the point of re-establishment. If the Councillor who was disconnected has missed part of the debate, then they will not be able to vote on the matter under discussion as they would not have heard all the facts.
