Introduction

NMPC usually conduct a small memorial service at the memorial gardens. Due to Covid-19 Dacorum Borough Council have decided not to hold an official event and NMPC have undertaken the following risk assessment and will be following suit. This risk assessment will cover a representative from NMPC attending the memorial to lay a wreath. Road closures are not required as there is no procession and there is a footpath bordering the entrance to the memorial garden.

Risk Assessments undertaken by the Clerk and conclusions agreed by councillors. Nov 2020

Please note that the tables below may cause issues should you use a screen reader. They highlight the risk matrix and can be made available in a different format if required.
