ⁱ From 12 January 2010, all local councils may exercise powers to confer the title of “Honorary freeman” or “honorary freewoman” to persons of distinction and those who, in the council’s opinion, have rendered eminent services to the council’s area (section 249(5) and (6) of the 1972 Act). The admission of an honorary freeman or honorary freewoman must be by resolution made at a meeting of the full council specially convened for such purpose and passed by no than less than two-thirds of the members of the council (Section 249(8) of the 1972 Act). That section also requires “notice of the object of the meeting” to be given. This confirms the need for the agenda with the public notice and summons to members in respect of the council meeting to itemise a motion to confer the title of honorary freeman or honorary freewoman. A local council may spend a reasonable sum as it thinks fit for the purpose of presenting an address or a casket containing an address to a person on whom it has conferred the title of honorary freeman or honorary freewoman (Section 249(9) of the 1972 Act).
