Budget estimates and funding

The funding for this magazine will come from **parish reserves** as it is a one-off project. The budget of £650 for printing, plus £120 for delivery (total £770) has recently been approved by council. In the past, £650 would have allowed us 36 pages. However, with the increase of printing costs, our 40 page Winter 2022 magazine cost £945.

Based on current prices, we have the following quotes from our printer (note that page number must be divisible by 4 for printing). Note that there may be a small increase if prices change before May:

- **36 pages** - our usual quality paper 150gsm - 850.00
- **36 pages** - slightly thinner paper 130gsm - £ 795.00
- **32 pages** - our usual quality paper 150gsm - £ 767.00
- **32 pages** - slightly thinner paper 130gsm - £ 710.00
