It has been a busy time for Dave as he completes his maintenance programme of repairs/painting/moss removal.

Fly tipping remains an issue

Dave does an amazing job and here is a brief summary of a typical week in the life of our warden.

Cleared fly tipping from the alley between East Green and Georgewood Road.

Cleared playground in Barnacres Road after litter bin and other rubbish was put all over the area.

Removed shopping trolly from Barnacres Road which was used to push at cars and returned to Sainsburys.

Weeded the memorial at Gade Tower.

Checked Bunkers Playing field.

Painted the seats in Highbarns and Georgewood Road.

Remove dead hedgehogs from Belswains Lane.

Checked De-Fib.

## **Financial Services Compensation Scheme**

A new complaint was raised with Lloyds.

The FSCS cover only covers 'small' local authorities (annual turnover under E500,000). Lloyds have written to us to say that as a local authority we may be on the exclusions list. Lloyds have only one classification for a 'local authority' and are, as such, unable to distinguish on our account and correspondence that we are classified as a small authority.

This query is an annual battle as they send out the information once a year. As they do not have access to our total turnover, and they only have the one heading for classification they will not confirm categorically that we are covered so this will continue to be an outstanding 'admin' discrepancy.

To check our risk, I have also spoken directly to the FSCS helpline. They have confirmed that if our bank failed, we would have to lodge a claim and wait for it to be repaid.

Should Lloyds fail and you don't receive an automatic return of funds as they had you marked as ineligible, we will be able to look into this at that point. Prior to the bank going into default, we are unable to make any changes to the information that they hold or confirm your eligibility as we don't have access to the records that go into their decision making.

Whilst it is frustrating, I do not believe that this exposes us to any undue risk. We are with high street banks and do not have any funds with any overseas or 'unknown' entity. There is currently nothing more that can be done with this other than to keep all supporting communications and information on file. We are not the only PC with this issue with Lloyds and I will continue to canvass for a change via my SLCC contacts.

## STATEMENT OF REASONS

## THE HERTFORDSHIRE (MILL CLOSE AND NASH GREEN, HEMEL HEMPSTEAD) (RESTRICTION OF WAITING) ORDER 2023

Hertfordshire County Council is proposing to introduce new waiting restrictions in parts of Hemel Hempstead.

The proposals will comprise of -

• 'No waiting at any time' restrictions in parts of Mill Close and Nash Green.

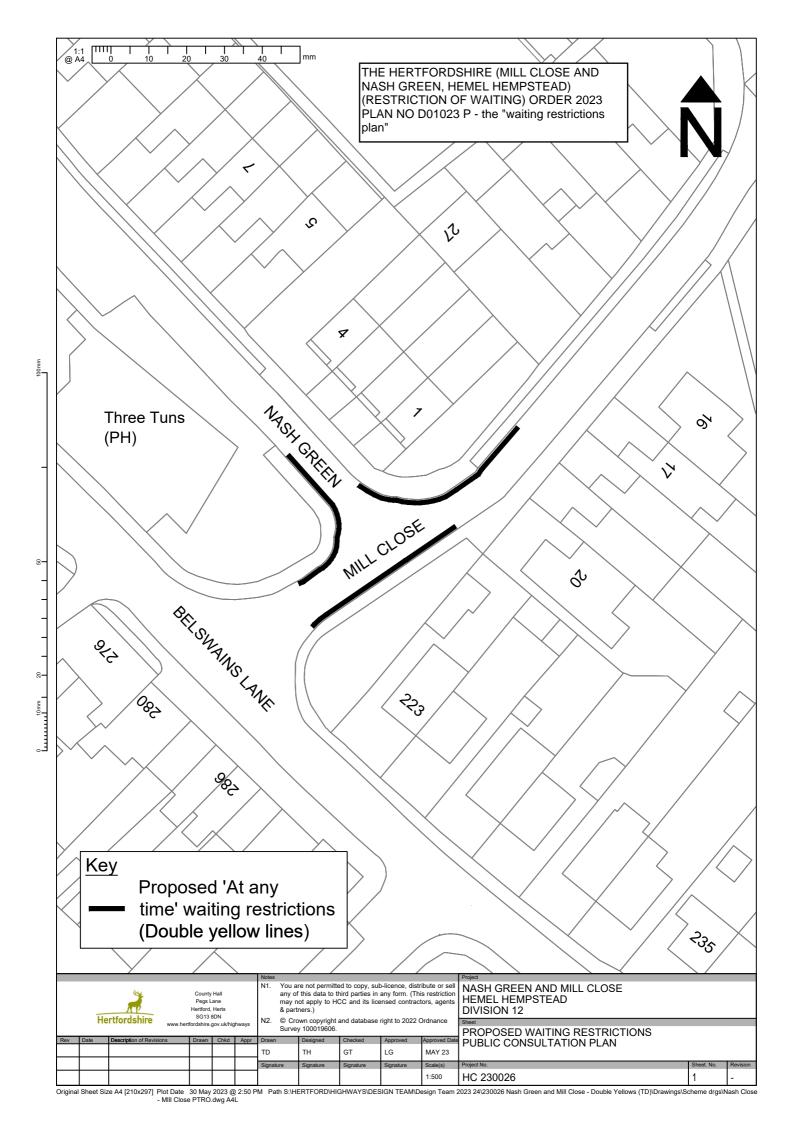

Vehicles have been recorded parking close to the junction causing poor visibility and several near misses. These proposals are to prevent vehicles parking in contravention of the recommendations of the Highway Code (mainly Rule 243), thereby ensuring visibility of vehicles and pedestrians is maintained whilst keeping the road clear so passage of vehicles is unrestricted.

Care has been taken to only restrict parking in location with it is necessary to ensure safe passage pf all road users, thereby maintaining parking for residents which it is possible to do so.

Parked vehicles in the vicinity of the junction causes issues of obstruction and visibility of pedestrians and vehicles. The proposed TRO will aim to secure the convenient and safe movement of vehicles and pedestrians.

Therefore, having also considered the duty imposed under Section 122 Road Traffic Regulation Act 1984, it appears to the Highway Authority that it is necessary and expedient to make an Order in the interests of avoiding danger to persons or other traffic using the road and for preventing the likelihood of any such danger arising and for facilitating the passage on the road or any other road of any class of traffic (including pedestrians).

The proposal has been subject to consultation with local and County Councillors representing the area and Dacorum Borough Council. The local Police, Ambulance, Fire & Rescue Services, Hertfordshire County Council Passenger Transport Unit, Nash Mills Parish Council and local residents are also being consulted.

## Summary

Nash Mills Parish Council (NMPC) is now at the end of the first quarter of the new financial year 2023/24. Precept and grants have been received.

## Total balances held on accounts (less NatWest final interest payment) on 30th June 2023 £128531.27

of which £67235 is currently earmarked and with £28596 in general reserves.

There were elections in May 2023. The new council has a 4-year term. At the RFO's request a working group has been set up to enable the team to consider projects and aims for the term. Recommendations for council will be brought to the meeting in Sept 2023. This will inform the priorities for this administration and will feed into the autumn budget setting. Consideration and any reallocation for the use of the existing earmarked reserves will form part of this process.

The council will also be asked to look at the CIL expenditure during the business planning process. Council to note that CIL is a conditional spend<sup>1</sup> and the clerk will verify the suitability of any expenditure with the CIL officer at DBC prior to committing any funds to projects.

### Summary Receipts and Payments for Year Ended 30th June 2023

## Clerk Report – Swing Repairs July 2023

## **Council Actions Required**

• To consider and if agreed approve expenditure for the repairs to the swing set at the playpark

### Background

NMPC leases the Bunkers Lane playpark. As the lease is currently only for 2 years NMPC would be unwise to undertake large amounts of expenditure, however we have a duty to ensure that the equipment is safe.

We receive detailed quarterly inspections from The Play Inspection Company and the warden (who is trained) undertakes weekly inspections.

There was a moderate risk finding, relating to the swing set in the last report and the warden had tried to remedy this, however it appears that the brackets are embedded into the frame. We currently have no high-risk items reported and our next report is due imminently. Council paid for a RESI-D test in May 2021.

## Considerations

I cannot obtain 3 quotes. As the equipment is Kompan equipment the other 2 suppliers that I have approached will not repair it. The quote is for complete dig out of old brackets and replacement.

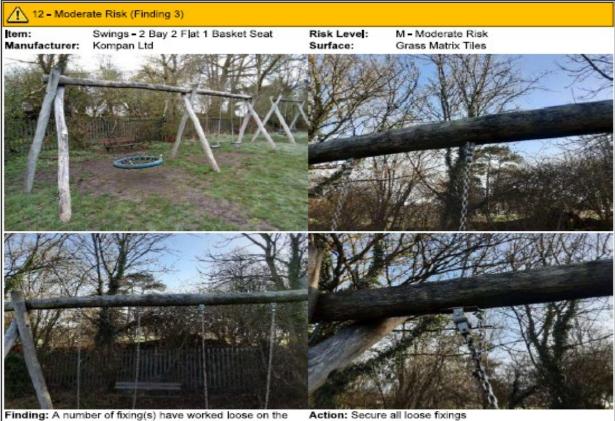

The quote and report details are below totalling **£622.03**.

## Future Actions for a later date/budget consideration

The 'basket' itself is suffering from repeat vandalism. For the time being the warden has managed to repair it, but I have obtained quotes for a replacement and council will need to ensure that approx. £1500.00 is earmarked for future works. Council may also wish to upgrade some other minor items at the same time that are also showing wear and tear as detailed in the report. I ca arrange quotations should council wish me to as there is a discount available if these works are conducted at the same time.

The most recent inspection report is available in full here <u>Councillors Log-in – Nash Mills Parish Council</u>. It is available on request to those who do not have access to the councillor page.

## Correspondence from KOMPAN

Job One – SQ282589

Swing fixing finding, 3,4,9 – the bolt cannot be tightened further as it is embedded into the wood so I would suggest that we perhaps need new fixings and the old ones dug out or an additional safety device fitted.

The test results show no signs of defects within the timbers and no remedial works have been identified.

Drills 1C, 1D & 1E were undertaken around the cavity identified in Post 1 during the initial inspection, the cavity can be seen in drill 1E otherwise the drills show no signs of further decay as a result of the cavity.

Note: The timbers are not uniform in shape and size and as a result a number of drills show the needle has exited the timber prior to the end of the preset drilling depth.

Nikki Bugden Clerk to the Council 3/7/2023

Nash Mills Parish Council PO Box 1602 Hemel Hempstead Herts HP1 9ST

June 2023

Dear Sirs

The purpose of this letter is to set out the basis on which we (are to) act as internal auditors of the Council and the respective areas of responsibility of the Council and of ourselves.

As Councillors of the above Council you are responsible for maintaining proper accounting records and preparing financial statements, which give a true and fair view and comply with the Local Government Act Accounts and Audit Regulations 1996, as amended periodically. You are also responsible for making available to us, as and when required, the Council's accounting records and all other necessary records and related information for us to undertake our review in accordance with the requirements of the Governance and Accountability Manual, including minutes of all Council and Committee meetings.

We have a responsibility to report to the members whether, in our view, the financial statements, as summarised at Section 2 of the statutory Annual Return, are in accordance with the Council's accounting records, whether they are supported by appropriate systems of internal financial control in the areas specified in the Internal Audit Report embodied in the Annual Governance and Accountability Return and whether they comply with the relevant legislation. In arriving at our view, we are required to consider the following matters, and to report on any in respect of which we are not satisfied:

- a. whether proper accounting records have been kept by the Council;
- b. whether the Council's Balance Sheet and Income and Expenditure Account or Receipts and Payments Account and supporting statements are in agreement with the accounting records and returns;
- c. whether we have obtained all the information and explanations which we think necessary for the purpose of our audit.

In addition, there are certain other matters, which, according to the circumstances, may need to be dealt with in our report.

We have a professional responsibility to report if the financial statements do not comply in any material respect with Statements of Standard Accounting Practice and Financial Reporting Standards, as applicable to local Councils, unless in our opinion the non-compliance is justified in the circumstances.

Our audit will be conducted in accordance with Part 2, Regulation 5 of the Accounts and Audit Regulations as set out in the Local Audit and Accountability Act 2014 (amended) and the Auditing Standards issued by the accountancy bodies and will have regard to relevant Auditing Guidelines. Furthermore, it will be conducted in such a manner as we consider necessary to fulfil our responsibilities and will include such tests of transactions and of ownership and valuation of assets and liabilities as we consider necessary.

We shall obtain an understanding of the accounting systems in order to assess their adequacy as a basis for the preparation of the financial statements and to establish whether proper accounting records have been maintained. We shall expect to obtain such relevant and reliable evidence as we consider sufficient to enable us to draw reasonable conclusions therefrom. The nature and extent of our tests will vary according to our assessment of the Council's accounting systems, and where we may wish to place reliance on the systems of internal control and may cover any aspect of the Council's business operations. We shall report to you any significant weaknesses in or observations on, the Council's systems which come to our notice and which we consider should be brought to your attention. We will also examine annually the Council's approach to the assessment and formal adoption of the risks associated with the various financial and related systems in the Council.

All evidence obtained, whether in electronic or hard copy format, will be retained in accordance with the General Data Protection Legislation, Auditing Solution's GDPR, and Document & Data retention policies, and the General Data Protection Regulation Non-Disclosure Agreement issued in concert with this Agreement.

As part of our normal audit procedures, we may request you to provide written confirmation of oral representations, which we have received from you during the course of the audit.

In order to assist us with the examination of your financial statements, as summarised in the Annual Return, we shall request sight of all relevant supporting documents, including those relating to the chairman's certification of the Annual Return, which are due to be issued with the financial statements. We reserve the right to attend relevant meetings of the Council and to receive notice of all meetings.

We may ask, additionally, for confirmation in writing that all the transactions undertaken by the Council have been properly reflected and recorded in the accounting records, and our audit report on your Council's financial statements may refer to this confirmation.

The responsibility for the prevention and detection of irregularities and fraud rests with the Council. Notwithstanding this, we shall endeavour to plan our audit so that we have a reasonable expectation of detecting material misstatements in the financial statements or accounting records resulting from irregularities or fraud, but our examination should not be relied upon to disclose irregularities and frauds that may exist. We also require that, in the event of any suspected irregularity being identified by members or the Council's Clerk, we are advised immediately and, if appropriate, consulted on the appropriate courses of action that should be applied to examine the position further.

We shall not be treated as having notice, for the purposes of our audit responsibilities, of information provided to members of our firm other than those engaged on the audit (e.g. information provided in connection with accounting and other services).

### Agreement of terms

Once it has been agreed, this letter and contract will remain effective for future years, until it is either cancelled by the Council or us giving timely notice. We respectively ask that, should the Council wish to cancel the contract, due notice is given by 30<sup>th</sup> September latest in the financial year under review, as work on the year's review will have either commenced prior to or shortly after that date. We shall be grateful if you could confirm in writing your agreement of the terms of this letter or let us know if they are not in accordance with your understanding of our terms of appointment.

Please indicate your agreement by signing this letter and returning to this office.

### AGENDA REQUEST FORM (FOR ITEMS OUTSIDE OF WORKING GROUP MATTERS)

### PLEASE NOTE THAT AGENDA ITEMS MUST BE SUBMITTED PRIOR TO THE AGENDA CUT OFF DATE

<u>Please note</u> the clerk will endeavour to include your request, however the clerk will decide its suitability in line with statutory guidelines and other agenda items may take precedence.

**AGENDA ITEMS -** INSERT WORDING TO APPEAR ON THE AGENDA. REMEMBER TO MAKE IT CLEAR WHAT YOU ARE ASKING COUNCILLORS TO DECIDE. PLEASE ALSO NOTE IF YOU ARE LOOKING FOR A SPECIFIC RESOLUTION. "To consider..." "To note..." "To review..." "To agree...."

To consider organising a walk open to all residents of NMPC along the Grand Union canal to Kings Langley to celebrate the towpath upgrade and to promote NMPC's financial contribution.

If agreed, to form a working group to organise the event.

**BACKGROUND INFORMATION** - INSERT AS MUCH INFORMATION AS POSSIBLE SO THAT COUNCILLORS HAVE THE DETAIL THAT THEY NEED IN ORDER TO MAKE AN INFORMED DECISION.

NMPC contributed to the cost of the upgrade – this would be a good way to publicise that.

Such an event also offers the opportunity for a social gathering without major logistics / significant cost to NMPC.

The event could / should be timed such that it is promoted in advance in the parish magazine. The parish magazine is delivered to all residents, so is potentially ideal to reach a demographic who may not use social media. That said, social media is worthwhile both for those that do use it directly but also to target family members who could make their relatives aware of events.

**BACKGROUND DOCUMENTS** LIST NAMES OF ANY DOCUMENTS OR SUPPORTING INFORMATION TO BE ATTACHED. ALL DOCUMENTS MUST BE SUBMITTED WITH THE REQUEST.

**COSTS** - INSERT DETAIL OF COSTS ASSOCIATED WITH THE DECISION THAT YOU ARE ASKING THE COUNCIL TO MAKE (IF KNOWN).

Working group to report to Council on any budget needed for the event.

#### Benefit To Residents/Local Area
